Harness Racing Fantasy League

Each stable consists of 6 horses. Four of the horses can be of any age but must be picked from the lists available on the OHHA website. The remaining two horses are to be Ohio Sired two-year-olds. To assist you in choosing, there is a compilation of Ohio-Sired two-year olds sold at public auction also on the website. However, your selected Ohio-Sired two-year-olds do not have to come from the supplied lists. Stable owners may choose from either gait. The same horse may be owned by multiple stables.

- The stable name and horses you choose will be made public, but your name and other personal information will be kept confidential.
- Stable owners are encouraged to use a virtual stable to inform them when their horses are in to race. Instructions how to set that up through Trackmaster can be found on the website under the fantasy league page.
- Standings will be posted to the OHHA website and provided monthly to stable owners via email.
- Stable earnings will include all earnings of those horses beginning May 1, 2024, and ending at midnight October 26, 2024. Winners are determined by total stable earnings.
- Money-earned ties will be settled first by number of wins and then by random draw conducted by OHHA.
- Anything not covered in these rules will be determined by OHHA, such decision being final. By entering the contest, contestants agree to be bound by the above rules and regulations.
