

## **Ohio 4-H Youth Development Offered Grants for County Horse Programs in 2015**

Ohio 4-H Youth Development was the winner of 2014 Charity Night at the Races, sponsored by Ohio Harness Horsemen's Association and Scioto Downs. Due to the winnings they received of \$5,000, Ohio Youth Development created a mini-grant to award to five counties as \$1,000 mini-grants towards counties' youth horse programs.

The purpose of these mini-grants was to provide the opportunity for county 4-H horse programs to initiate new/innovative horse related educational programming that will benefit their county's 4-H horse project members and/or volunteers, as well as the potential to share the programming idea with other counties throughout Ohio.
