Continuing in the same vein as last month's column we are awaiting the close-out of the Stakes Racing Season. Hollywood Gaming at Dayton hosted the Ohio Fairs Championship on October 1st and the Hollywood Gaming at Dayton Ohio Sires Stakes four-year-olds and up will be held October 23-24th at 6:35 p.m. The Ohio Fair Championship night patio party hosted by Hollywood Gaming at Dayton Raceway was enjoyed by many.

With a few of the sales already on the books here is a basic recap of those sales and a few more dates for the last remaining sales that feature Ohio Sired Yearlings.

Updates From Your President

Kevin Greenfield

With the stakes season and yearling sales in Ohio coming to a close, it is important to reflect back and look forward to what we have achieved this year and what we still need to do. Ohio stakes racing and yearling sales grew even stronger in 2015. Purses were up for Ohio Sires Stakes, the Ohio State Fair Stakes and the Ohio Breeder's Championship. The Ohio Fair Stakes purses increased as well. The Ohio Selected Jug Sale saw nearly a 7% increase over 2014's amazing year, and the inaugural Buckeye Classic Sale got off to a strong start. We still have work to do in increasing overnight purses at the Ohio racetracks as well as lobbying the racetracks for more opportunities for young Ohio sired horses to race in overnight or late closer events, especially in the spring.

On the administrative front, this fall gives me the opportunity to push for completion of our goal to raise \$100,000 for the PACER account this year as well as begin a comprehensive marketing plan for 2016 and beyond. I will also be making recommendations to the Ohio Standardbred Development Fund on ideas to make our already good Sires Stakes program even better for 2016. If any of you have any questions, concerns or ideas that you feel I should hear, I welcome your thoughts. I make it a point to connect with everyone that reaches out to me because your voice in our organization is important. Best wishes.

Ohio Racing Commission Meeting Recap

Regularly scheduled Racing Commission Meeting recap from Tuesday, September 29, 2015, at the Columbus Riffe Center.

In normal business, the Commission unanimously approved the Executive Director's Report items for Northfield Park and Hollywood Gaming at Mahoning Valley Race Course. Northfield Park sought approval for October 31st, December 26th, and Dec. 27th as replacement live race days to make-up the weather related cancellation dates of March 9th and 10th and glass shards in the race-track surface materials causing cancellation on June 22nd. Mahoning Valley Race Course sought approval for December 30, 2015, as a replacement live race day to make-up the weather related cancellation date of April 15, 2015. The Racing Commission unanimously approved all requests.

The Permit Holders submitted applications and information on 2016 Race Dates Submissions. Belterra Park, Mahoning Valley Race Course, and Thistle Downs Racino's live dates were submitted and approved final, each facility was in compliance with their Horsemen's Agreements and R.C. 3769.089(B)(2).

Miami Valley Gaming requested 86 live racing days. Northfield Park requested 221 live racing days. Hollywood at Dayton requested 75 live racing days. Scioto Downs requested 95 live racing days. The Racing Commission issued a mandate at the last monthly meeting that there be no overlap in the southern half of the state between the Hollywood at Dayton, Miami Valley, and Scioto Downs live schedules. In last month's Commission meeting overlap was disclosed in the applications for Miami Valley, Dayton, and Scioto Downs. Miami Valley and Scioto Downs had negotiated and removed the overlap as directed by the Racing Commission. Miami Valley and the OHHA negotiated over their reduction in dates below the R.C. 3769.089(B)(2) minimum and entered into a Two-party Agreement with Miami Valley, which was finalized September 21, 2015, and submitted

to the Racing Commission shortly thereafter for review and ratification. At the Commission hearing that two-party was ratified and Miami Valley's dates were finalized. The Miami Valley schedule will run from January 9th to May 8, 2016 for 86 days. Live race days will be Sunday, Monday, Tuesday with post times at 2:05 p.m. and Friday, Saturday with post times at 6:05 p.m. Saturday, May 7, 2016, Kentucky Derby Day, will have a 7:05 p.m. post time. Northfield Park's submitted dates request was also finalized with 221 live days, above the R.C. 3769.089(B)(2) minimum mandate. Their live calendar runs from January 1st to Dec. 30, 2016, Monday, Tuesday, Wednesday, and Saturday all 6 p.m. post times. Friday night 6:00 p.m. post times are added for January 1st and the months of October, November, and December 2016. Sunday night 6:00 p.m. post times are added on Holiday Weekends, May 29, July 3, and September 4, 2016. The Scioto Downs and Dayton Live Racing Dates Applications are still pending, with Dayton Raceway continuing to offer 75 live days (which is their statutory minimum necessitating no two-party), and Scioto Downs and the OHHA continuing to negotiate over a reduction in live days from the statutory minimum 125 with the two-party agreement negotiations continuing.

In the monthly status update on Permit Holder and Horsemen's Agreement Negotiations, the Racing Commission represented that Belterra Park and the Ohio Horsemen's Benevolent and Protective Association (OHBPBA) continue to request that the Racing Commission set the rate for the R.C. § 3769.087, 9-11% revenue share lottery commission division and no further progress has been made towards agreement. The Racing Commission set forth that they continue to take the request that they set the rate under consideration.

The OHHA and Penn Gaming provided an update on the Hollywood Gaming at Dayton Raceway Agreement negotiations. The interested Parties convened for another four hour plus in-person meeting September 18, 2015, and had gone back and forth prior to that sit-down and subsequent to that in-person meeting with draft revisions, with the intent of finalizing the Agreement in advance of the Racing Commission meeting September 29th. The agreement was very close to final form and the parties represented constructive agreement on all terms. Effectively both sides presented the fact that the agreement was final in principle and were negotiating the final verbiage on a few specific provisions, with signatures to follow as soon as

that is complete. The parties represented that final agreement was expected to occur by the next scheduled Racing Commission Hearing October 27th if there were no intervening circumstances that interrupted the final stages of the process.

An update on the horse racing fatalities was provided and so far this year there have been 21 thoroughbred fatalities and 7 standardbred fatalities in 2015, for a total of 28 fatalities statewide. The number of equine fatalities for 2014 totaled 47 statewide and in 2013 was 46 statewide.

The final matters heard were the settlement agreements for licensees Gerald Brooks and Keith Kash Jr.

Mr. Brooks did not appear. Mr. Brooks dropped his appeal and entered into a settlement agreement with the OSRC. The Racing Commission represented the settlement agreement for two testosterone overages as being entered into with the licensee. The suspension levied will commence October 1, 2015, and will run for 30 days, he will pay a \$1,000 fine, and return the purse for the horses with the recorded overages. After discussion the Racing Commission unanimously approved the settlement agreement.

Mr. Kash Jr. did not appear. Mr. Kash Jr. was cited for failing to conduct himself in a professional manner after race 10 on 7/8/15. The conduct was cited as against the best interest of racing. O.S.R.C.-3769-12-26(A)(10) 12-99 17-29(A)(5)&(7) 17-99. Mr. Kash dropped his appeal of the ruling and entered into a settlement agreement with the OSRC. He will pay a fine of \$500 (must be paid by 10/15/15) and serve a 15-day driving suspension (9/30/15 through 10/14/15). He must also complete an anger management course approved by the OSRC prior to 1/1/16. The Commissioners discussed the penalty and were of the opinion in hearing that the penalty should have been more stringent. In addition to the penalty being more stringent they wanted to have Assistant Attorney General Febus make it clear in his letter to the licensee that he was being placed on Final Notice for any future infractions. That the Racing Commission would not be so lenient in the future should any additional incidents involving Mr. Kash come in front of the Racing Commission. After discussion the Racing Commission unanimously approved the Settlement Agreement.

For a transcript of the meeting contact the State Racing Commission. The next scheduled Racing Commission meeting is October 27, 2015 at 10:00 am, Room East B, 31st Floor, Riffe Center, 77 S. High St., Columbus, Ohio.

The OHHA Fairs Committee will be meeting this month. They want to hear from you! What are your thoughts about the purse money at Ohio Fairs this year? What are some ways the additional money sent to the fairs was used? Send in your thoughts and ideas on continued support and improvements to rmayhugh@ohha.com. Thank you!

Northfield Park News

Ayers Ratliff

October begins a change in Northfield Park's racing schedule to five nights per week (Monday, Tuesday, Wednesday, Thursday and Friday) with a 6:00 p.m. first race post time.

Congratulations to Hidden Land (Don Irvine Jr.) for breaking the track record for four year-old pacing mares on October 2. Her 1:51.4 time marks her as the fastest female ever on the Flying Turns.

Ronnie Wrenn Jr continues to lead in the local driving ranks. As of the time of this writing, Wrenn has posted 468 wins so far this year and has local purse earnings of \$2,236,636 over the Flying Turns. Following Ronnie is Aaron Merriman (383, \$2,051,526), Jason Merriman (205, \$1,223,053), Ryan Stahl (154, \$960,480) and Kurt Sugg (144, \$1,038,339).

Brian Loney has scored the most training wins so far this year. He has 93 victories to his credit and leads Sam Schillaci (64), Michael Dowdall (59), Jessica Millner (55) and John Kina (52).

Beginning October 1, Ohio law was updated and now allows Northfield Park to open early each day for full-card simulcasting. Northfield continues to promote this change heavily and is getting a positive response from patrons.

The Ohio Ladies' Pace Concludes for 2015

by Emily Hay

The Ohio Ladies' Pace Final was held at the Delaware County Fair during Jug week. Maria Howard, Ulrika Fox, Meredith Noble, Tabby Canarr, Mandy Jones, Sierra Graham, Lisa Avenatti, Mary Birkhold, and Gail Impson finished the season participating in the finale. It was an awesome event that celebrated the ladies hard work throughout the season to reach the final race. Each lady competed in races throughout the summer in various Ohio towns and cities to accumulate the points they needed to land them into the final race!

The race went fast and just as the other races throughout the summer no one was willing to give up any holes on the track and the fight was on for the rail position as well as for the win! The girls are like a big group of sisters until race time, then it is game time and there are no friends on the race track. In the end, the congratulations goes to Maria Howard for taking the win!

It has been an amazing year of racing with the Ohio Ladies' Pace drivers and I couldn't ask for a better group of girls to do this with for they are truly an amazing group! Many thanks goes to all who have helped to make this race possible. Many thanks to the participating fairs, Annie and Ray Lufkin for keeping points, attending races and taking photos, Bill Peters for working with the fairs to have the races and for helping with points and adding in fun things for the girls to do at some of the fairs. The shopping cart races were fun too! Thank you to Tim Harless for being the originator of the idea to have a ladies driver race at the fairs. He is always looking out for the horsemen and does one heck of a job at the Darke County Fair! Appreciation to Auglaize County, Hardin County and Hancock County fairs for donations to Ohio Ladies Pace for t-shirts, flowers, candy, pullovers, plaques and all the other goodies we gave the winners of each race and the gift bags for those who made the final. Hoosier Park donated a cooler full of goodies including a gift certificate to the Homestretch Steakhouse, which I hear is a yummy place to eat. The Darke County Fair also donated the hot pink blanket for the Ohio Lady Pace Final.

I would also like to send a Thank You out to Aaron Merriman, Ronnie Wrenn Jr., Calvin Hollar Stables and Chris Page for the donations they made to get the final purse up to \$2,500.00! Conrad Photos has also been very good to us by taking few extra shots at the races! He is very much appreciated!

I am looking forward to having as many Ohio Ladies Pace races next year if not more. Any fair can have the race and if you need information please call and ask. This year's interest with fairs hosting lady drivers has now sparked Northfield into having a lady driver race October 16th and Hoosier Park hosting one October 31st.
